Re: Confidentiality of MT9100TNK documentation.

To whom it may concern:

Greetings,

This letter regards technical information submitted to the FCC for the WESROC RMS Tank Transmitter with regard to Part 15 conformity testing. (Currently FCC ID# RWB-MT9100TNK and IC# 115A-MT9100TNK) This is a formal request to make certain confidential information submitted to the FCC unavailable to the general public. The following are the files that we would prefer to not be publicly available:

- The Block Diagram
- The Schematic Diagram
- The Theory of Operation
- The Bill of Materials

These files require confidentiality because they contain information that reveals methods and materials used in the product that are unique to our product in our intended market and are considered by MetroTel to be trade secrets.

Regards,

A handwritten signature in black ink, appearing to read "Doug Ferguson".
