Subject: Class II Change Permissive

Dear Regulatory Authority,

We, the undersigned, hereby declare, this device: MP3 FM transmitter class II change is owing to the change of:

1. U6 is optional in the circuit:  
IF USE INTERNAL RAM PUT R21 >>>> means put r21 when U6 is removed  
IF USE EXTERNAL RAM PUT R22 >>>> means put r22 when U6 is added
2. The channel switch located at SW4 is changed from a DP switch to a rotating one.

Please find those changes in the schematics of both old and new version.

Sincerely Yours,

24/May/2004

Jimmy Liu, R/D Senior Specialist
