# Product Manual for Wireless Keyboard

Model: RZ03-0353

## WHAT'S INSIDE

- Wireless Keyboard (Model: RZ03-0353)

- A. Mode switch (2.4 / OFF / BT)
- B. Power indicator
- C. On-the-fly macro record key
- D. Gaming mode key
- E. Backlight control keys
- F. Sleep mode key
- G. Media control buttons
- H. Multi-Function Digital Dial
- I. LED indicators
- J. Type C port
- K. Wireless USB dongle compartment
- L. Kickstand

- 2.4GHz wireless USB dongle

- Type A to Type C cable

- Ergonomic wrist rest

- Important Product Information Guide

---

## WHAT'S NEEDED

### PRODUCT REQUIREMENTS

- PC with a free USB Type A port or Bluetooth 4.0 connectivity

### RAZER SYNAPSE REQUIREMENTS

- Windows® 7 64-bit (or higher)
- Internet connection for software installation

---

## LET'S GET YOU COVERED

You've got a great device in your hands, complete with a 2-year limited warranty coverage. Now maximize its potential and score exclusive Razer benefits by registering at [razerid.razer.com](https://razerid.razer.com)

Got a question? Ask the Razer Support Team at [support.razer.com](https://support.razer.com)

# GETTING STARTED

## CHARGING YOUR WIRELESS KEYBOARD (MODEL: RZ03-0353)

1. Connect your keyboard to a powered USB port using the Type A to Type C cable to charge your keyboard. The status indicator will turn solid green when the keyboard is fully charged.

**i** For best results, fully charge your keyboard before using it for the first time. It takes approximately 2 hours to fully charge your keyboard. You may continue using the keyboard while plugged in.

When your keyboard is not charging, the power indicator will only briefly display its battery status.

Mode	Charged	Low	Critical*
2.4 / BT	Green	Yellow	Blinking Red
OFF	None		

\*Critical status indicates that the keyboard's battery is less than 3%. This lighting sequence will repeat until the battery is drained or the keyboard is being charged.

# CONNECTING YOUR WIRELESS KEYBOARD (MODEL: RZ03-0353)

## 2.4 GHZ MODE

1. Set the mode switch to 2.4.

2. Remove the wireless USB dongle from the dongle compartment and connect it to your computer.

## BT MODE

1. Set the mode switch to BT.

2. Your Wireless Keyboard (Model: RZ03-0353) can pair up to 3 devices. To activate pairing mode, hold down one of the key combinations shown below for 5 seconds until its corresponding LED indicator blinks.

Profile	Key combinations	LED indicators
1	 + 	   C 1 S

2	 + 	   C 1 S
3	 + 	   C 1 S

3. Enable Bluetooth on your device and select BlackWidow V3 Pro from the list of devices found. The device will pair with your keyboard and the connection will be registered on the active profile.

*Your keyboard will reconnect to the last paired device after it has been powered on again. To switch devices, simply press the keys that correspond to the device's profile number.*

## WIRED MODE

1. Set the mode switch to OFF.

2. Connect your Razer device to the USB port of your computer.

**i** Install Razer Synapse 3 when prompted or download the installer from [razer.com/synapse](https://razer.com/synapse).

---

## USING YOUR WIRELESS KEYBOARD (MODEL: RZ03-0353) MEDIA CONTROLS

### MEDIA CONTROL BUTTONS

Use the media control buttons to play/pause ( ⏮ ) a track or skip tracks backward ( ⏮ ) and forward ( ⏭ ).

### MULTI-FUNCTION DIGITAL DIAL

By default, you may rotate the Multi-function digital dial to increase/decrease the audio output volume or press the dial to mute/unmute the audio output. The dial will light up in red when the audio output is muted.

---

## SAFETY AND MAINTENANCE

### SAFETY GUIDELINES

In order to achieve maximum safety while using your Wireless Keyboard (Model: RZ03-0353), we suggest that you adopt the following guidelines:

Should you have trouble operating the device properly and troubleshooting does not work, unplug the device and contact the Razer hotline or go to [support.razer.com](https://support.razer.com) for support.

Do not take apart the device (doing so will void your warranty) and do not attempt to operate it under abnormal current loads.

Keep the device away from liquid, humidity or moisture. Operate the device only within the specific temperature range of 0°C (32°F) to 40°C (104°F). Should the temperature exceed this range, unplug and/or switch off the device in order to let the temperature stabilize to an optimal level.

### COMFORT

Research has shown that long periods of repetitive motion, improper positioning of your computer peripherals, incorrect body position, and poor habits may be associated with physical discomfort and injury to nerves, tendons, and muscles. Below are some guidelines to avoid injury and ensure optimum comfort while using your Wireless Keyboard (Model: RZ03-0353).

1. Position your keyboard and monitor directly in front of you with your mouse next to it. Place your elbows next to your side, not too far away and your keyboard within easy reach.
2. Adjust the height of your chair and table so that the keyboard and mouse are at or below elbow height.
3. Keep your feet well supported, posture straight and your shoulders relaxed.
4. During gameplay, relax your wrist and keep it straight. If you do the same tasks with your hands repeatedly, try not to bend, extend or twist your hands for long periods.
5. Do not rest your wrists on hard surfaces for long periods.
6. Use a wrist rest to support your wrist while gaming.
7. Customize the keys on your keyboard to suit your style of gaming in order to minimize repetitive or awkward motions while gaming.

8. Do not sit in the same position all day. Get up, step away from your desk and do exercises to stretch your arms, shoulders, neck and legs.

If you should experience any physical discomfort while using your keyboard, such as pain, numbness, or tingling in your hands, wrists, elbows, shoulders, neck or back, please consult a qualified medical doctor immediately.

## MAINTENANCE AND USE

The Wireless Keyboard (Model: RZ03-0353) requires minimum maintenance to keep it in optimum condition. Once a month we recommend you unplug the device from the computer and clean it using a soft cloth or cotton swab to prevent dirt buildup. Do not use soap or harsh cleaning agents.

**FCC Statement**

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with FCC radiation exposure limits set forth for an uncontrolled environment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**Caution!**

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

## **Canada Statement**

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

- (1) This device may not cause interference.
- (2) This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

- 1) L'appareil ne doit pas produire de brouillage;
- 2) L' appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d' en compromettre le fonctionnement.

The device meets the exemption from the routine evaluation limits in section 2.5 of RSS 102 and compliance with RSS-102 RF exposure, users can obtain Canadian information on RF exposure and compliance.

Le dispositif rencontre l'exemption des limites courantes d'évaluation dans la section 2.5 de RSS 102 et la conformité à l'exposition de RSS-102 rf, utilisateurs peut obtenir l'information canadienne sur l'exposition et la conformité de rf.
