A pink cat-shaped headset is shown disassembled into its components. The components include the headband, two ear cups, two drivers, a battery, and a circuit board. The headset is placed next to a ruler for scale. The ruler shows measurements in centimeters and inches. The headset is pink and has cat ears on top. The ear cups are also pink and have a cat face design. The drivers are black and circular. The battery is yellow and rectangular. The circuit board is green and circular. The headband is pink and has a grey padding. The headset is shown in a disassembled state, with the components laid out next to it.
