To: FCC-OET,

Gentlemen:

I have received two requests from your office for further exhibits for the Type Certification application for FCC ID RXD2400L1 HF power amplifier.

(Correspondence Reference Number: 31888  
731 Confirmation Number: EA427384)

Ms. Linda Elliot requested on 10/26/2006 that we submit:

1. an ID label drawing and location sketch,
2. external photographs

(Correspondence Reference Number: 31943  
731 Confirmation Number: EA427384)

Mr. Andrew Leimer requested on 10/31/2006 that we submit:

1. external photograph exhibit,
2. parts list / tune up exhibit,
3. operational exhibit
4. demonstration of compliance with Section 97.317 24-35 MHz exclusion,
5. letter requesting confidentiality

This information had been included in other documentation, but we now understand it should have been submitted in individual file documents. To correct this situation, we attach and upload all of these requested exhibits now through the electronic Form 731.

Thank you very much for your assistance in this matter. Please contact me if you require anything further.

Sincerely,

A handwritten signature in black ink that reads "Steven M. Dishop".
