

Engineering and Testing for EMC and Safety Compliance

FCC Laboratory Division  
7455 Oakland Mills Rd.  
Columbia, MD 21046

RE: FCC ID: RXUSD125U2  
731 Confirmation #: EA659886  
Correspondence Reference #'s: 29733 and 29734

Comment: The FCC ID (RXUSD125U2) entered on the Form 731, does not agree with the FCC ID (RXUSP125U2) shown on the ID label. Submit an email/letter so that we can correct the ID on the Form 731, or a revised identification label, as appropriate.

Response: We received the two correspondences referenced above, however they appeared to be duplicates.

In response to the correspondence, I have uploaded a new label exhibit showing the correct FCC ID of RXUSD125U2.

If you have any questions, please contact me at [FCCINFO@rheintech.com](mailto:FCCINFO@rheintech.com), or 520-877-8105. Thank you very much.
