APPLICATION FOR CHANGE OF IDENTIFICATION

November 22, 2010

Two Technologies, Inc. desires a Change of Identification of the Telit Communications S.p.A. model GC864-QUAD V2 radio with FCC ID number RI7 GC864Q2 in order to apply for a Class II Permissive Change that will allow Two Technologies, Inc. to include the above identified Telit Communications, S.p.A. radio module in our HG-XXX line of hand held computers.

Two Technologies, Inc. will make no internal or external changes to the above identified radio module except for placing a label as required by the application. The label will contain the new FCC ID number RYJ-GC864Q2 that we are requesting with the application for a Change of Identification.
