**Re: Request for Permanent Confidentiality**

Applicant: Therm-O-Disc, Inc.

FCC ID: RYR52WM

To whom it may concern,

Request is hereby submitted by Therm-O-Disc to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- **Schematics**
- **Detailed Block diagrams**
- **Detailed Operational/Functional Description**
- **Tune up procedure**
- **Parts list**
- **Internal photos**

**NOTE :** Requires additional justification such as:

- (1) Circuit board covered with epoxy. Show photo with and without epoxy.
- (2) Device is not sold to end user.
- (3) Non-consumer device inaccessible to general public, such as a device mounted on top of a large tower or in a fenced or locked location that is only serviceable by the licensee or designated technicians.

**NOTE :** Scanning receiving internal photos are always held permanently confidential.

- **User Manual**

**NOTE :** Only with added justification, such as professional installation and the manual is very technical and is not provided to the consumer since the consumer cannot service the device.

Rationale for request for confidentiality:

Therm-O-Disc has invested considerable time and materials in research and development to produce the referenced product.

If you have questions or need further information, please contact the undersigned.

Sincerely,

Manager, Technical Service

Therm-O-Disc, Inc.
