

Modular Approval Request Letter

August 19, 2013

Dear Application Examiner,

Folksy LLC would like to have your authorization as a modular approval specific to the RF exposure condition for its WWAN module with the **FCC ID: RZB-VA2L**.

The requirements of Public Notice DA00-1407 have been met and shown on the following statements.

1. "The modular transmitter must have its own RF shielding."

The radio portion of this module has been shielded, please see exhibition EUT Photo.

2. "The modular transmitter must have buffered modulation/data inputs."

The EUT has buffered data inputs; it is integrated in chip RF transceiver (U9006).

3. "The modular transmitter must have its own power supply regulation."

Power regulation performed by PMIC (U10).

4. "The modular transmitter must comply with the antenna requirements of section 15.203 and 15.204(C)."

The EUT meets the FCC antenna requirements. The Spurious Emission, the unique antenna connector and photo of antennas are shown in the test reports.

5. "The modular transmitter must be tested in a stand-alone configuration"

The EUT was tested in a stand-alone configuration via a USB extender. Please see section Photographs of Test Configuration in the test report, the EUT was plugged in this extender.

6. "The modular transmitter must be labeled with its own FCC ID number."

Please see exhibition Label Sample for the FCC ID of this module. And also in the exhibition User's Manual, there are instructions give to the OEM on how to label the end product.

7. **"The modular transmitter must comply with any specific rule or operating requirements applicable to the transmitter and the manufacturer must provide adequate instructions along with the module to explain any such requirements."**

The EUT is compliant with all applicable FCC rules. Detail instructions for maintaining compliance are given in the User's Manual.

8. **"The modular transmitter must comply with any applicable RF exposure requirements."**

The EUT is compliant with all applicable RF exposure requirements. RF Exposure is addressed in the RF exposure exhibition.

Best Regards,

Name: Kathleen Davis
