Re: Confidential Treatment for Equipment Authorization Under FCC ID No. RZB-VA2L (Short Term Request)

To whom it may concern:

Folksy LLC and its affiliated companies ("Folksy") is requesting short term confidentiality under the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459) for the below listed exhibit for a total of 180 days from the grant of the application under the FCC's Public Notice of June 15, 2004 (DA 04-1705), which exhibit is included in the application for authorization under FCC ID No. RZB-VA2L:

- User Manual/Specification
- Internal and External Photos
- Test Setup Photos
- Modular Approval Request Letter

Any premature disclosure of this information could give our competitors early access to non-public information, thereby creating an unfair market advantage against Folksy and causing financial harm to Folksy.

To ensure that this business sensitive information remains confidential until Folksy begins the actual marketing of newly licensed devices, we are making this request to comply with the marketing regulations in 47 CFR § 2.803 and the importation rules in 47 CFR § 2.1204.

Best regards,

Kathleen Davis, President
Folksy LLC
