

Subject: Modular Approval Request

FCC ID: RZC-WDMX

04-05-04

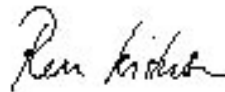

Dear Application Examiner,

Blast Technology ApS, WDMX-512 ProDiversity, FCC ID: RZC-WDMX, would like to have your authorization as a modular approval. The requirements of Public Notice DA00-1407 have been met and shown on the following statements.

1. "The modular transmitter must have its own RF shielding." The radio portion of this module has been shielded, please see exhibition External Photo.
2. "The modular transmitter must have buffered modulation/data inputs." The WDMX-512 ProDiversity contains buffered data inputs; it is integrated in P/N: XI-325H ETSI.
3. "The modular transmitter must have its own power supply regulation." The WDMX-512 ProDiversity contains a regulator in the DC input port, P/N: XI-325H ETSI.
4. "The modular transmitter must comply with the antenna requirements of section 15.203 and 15.204(C)." The WDMX-512 ProDiversity meets the FCC antenna requirements. The spurious emission, unique antenna connector and photo of antennas are shown in the application exhibits.
5. "The modular transmitter must be tested in a stand-alone configuration" The WDMX-512 ProDiversity was tested in a stand-alone configuration via a PCMCIA adapter card. Please see exhibit "Test Setup Photos".
6. "The modular transmitter must be labeled with its own FCC ID number." Please see exhibit "FCC Label" for the FCC ID of this module.
7. "The modular transmitter must comply with any specific rule or operating requirements applicable to the transmitter and the manufacturer must provide adequate instructions along with the module to explain any such requirements." The WDMX-512 ProDiversity is compliant with all applicable FCC rules. Detail instructions for maintaining compliance are given in the Users Manual.
8. "The modular transmitter must comply with any applicable RF exposure requirements." The EUT is compliant with all applicable RF exposure requirements. RF Exposure is addressed in the exhibit "MPE Data". Please contact me if you have any further questions. Thank you for your attention.

Blast Technology ApS,
