Gentlemen:

Avidyne would like to request that all schematics, bill of materials, block diagrams, and operational descriptions submitted with our application for certification be withheld from public disclosure per Section 0.459 of the FCC rules.

This request is made under the provisions of Section 0.457(d) of the Commissions rules, and Section 552(b)(4) of the Freedom of Information Act. These sections authorize the withholding from public inspection, those materials which would be privileged as matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.

If you have any additional questions, or need additional information, please contact the undersigned at (614)-543-8065.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dean E. Ryan".
