Your inquiry has been submitted to the Laboratory Division of the FCC Office of Engineering and Technology. You will receive a response within two business days. Please be sure to retain the inquiry tracking number displayed for future reference and questions concerning the status of this inquiry.

Inquiry Tracking Number: 513967**Date of Submission: 02/20/2007****Subject: Request for Confidentiality**

Question: If a product falls under the ITAR(International Traffic in Arms Regulations), which requires that no technical information about can be made available to any foreign person in the US or abroad, may the materials that would normally not be eligible for withholding from public view be held confidential? The nature of this device is such that it will always be distributed under ITAR regulations.
