Dear Lucy,

Thank you for your cooperation and kindness.

Regarding your comments for the Assessment NO. AN07T7300, we would like to inform you as follows,

Q#1: Confidential request letter indicates that EUT internal photos would like to be kept as long term confidential which is not allowed.

Please remove it.

---> Please refer to revised confidential letter.

Q#2: Per Part2.1091, please add the RF exposure statement into the user manual .

---> Please refer to revised user manual.

Q#3: Since the EUT is large enough that Part 15.19 warning statement is required to be added to the label. Please revise.

---> Please refer to revised ID label location.

If you have any question, please feel free to contact us.

Have a nice day!

Best Regards,

S. C. Hong / Project Engineer
