Re: FCC ID: S4MRSN300-16-A

To Whom It May Concern:

The following application is submitted on behalf of our client, TeraHop Networks, Inc., for evaluation of their model RSN300 for certification under FCC Part 15.247. The device was tested to the requirements of the aforementioned rules and was found to be in compliance.

Documentation included in this filing makes reference to a second transceiver, namely a Bluetooth transceiver, which will not be activated or used in the final device configuration. An attestation letter from the manufacturer declaring the Bluetooth transceiver will not be activated is attached to this correspondence.

Sincerely,
