DECLARATION OF SIMILARITY

August 26, 2016

To:
FEDERAL COMMUNICATIONS COMMISSION
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21046

Ref: S4RBMU650

Dear Sir or Madam:

We, Mobile Communications Inc., hereby declare that product: *Consumer Wide-band, bi-directional Booster*, model BMUX650 is electrically identical with the same electromagnetic emissions and electromagnetic compatibility characteristics as model BMUZ650.

A description of the differences between the tested model and those that are declared similar are as follows:

BMUZ650 has its maximum TX power output limited to 3dB lower than the BMUX650. Power is software controlled electronically.

Please contact me should there be need for any additional clarification or information.

Sincerely,

Tom Vagenas
Director ASO
