Re: Application for "Change in identification of equipment" in accordance with 47 C.F.R. § 2.933.

To whom it may concern,

We, **Honeywell International Inc.**, are filing for a "Change in identification of equipment" in accordance with 2.933 of the FCC rules for the following previously certified module.

Original Grant Holder: **Adaptive Instruments LLC**

FCC ID: QQN16363

Dated on: 02/04/2003

The new identification for the module will be **FCC ID: S5716363**

We hereby attest that;

The module with new identification is identical to the original module listed above and therefore original test results continue to be representative of and applicable to the module with new identification. This module will only be installed in Honeywell International Inc. end-products under our control.

This application includes,

- A letter of authorization from **Adaptive Instruments LLC**
- Photos of the module
- New identification label
