Purpose of change letter

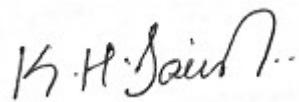

FCC ID: S5751490045 / IC: 573W-51490045 falls in the categories of changes allowed by class II of permissive change being applied for. All changes do not intend for maximum RF power and change on RF field strength ratings and operating frequencies.

The change(s) is (are) listed as below:

1. Only the final application solution changes by using a different sensor.
2. Mechanical plastic design has been changed to accommodate new sensor.

There is no function change to the product and other mechanical designs are identical to the original product.
