Columbia, MD 21046

Request for confidential information,

This letter is to comply with Section 0.457(d)(2)(i) pertaining to confidential material. Radionet Ltd. would like the following documents regarding this submission for FCC ID: S5LRNFCC1 to be kept confidential.

1. Radionet integrated antenna specification
2. Radionet RN block diagram
3. Radionet Radionet RN schematics
4. Radionet RF module block diagram
5. Technical description of Radionet RN WLAN products
6. Pictures of internal electronics PCB and RF boards (miniPCI board) of the product (where product is opened and cover radome is moved)
  - HW and electronics design of the PCB includes unique solutions and aspects of HW design we want to keep confidential
  - HW and electronics is custom designed by Radionet Ltd. And we own IPR for the design and related component and design choices made in the product, it is critical for us to protect the product design details
7. Parts list and BOM of the product

The above material contains trade secrets or technical data, which would customarily be guarded from competitors. We do not want these documents to be accessible to the general public.

6<sup>th</sup> of May 2005

Sincerely,

---

Pauli Noronen  
VP, Product development
