**To: Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD**

To Whom It May Concern:

We, Hylex Electronics Co., Ltd., state that our device, FCC ID: S5OHUM-1600T, the bottom shell can be moved away, the label is visible to the users as they purchase the products and install the battery. there is not enough space to print FCC ID label in surface of products, so the label has to be placed inside bottom shell.

Sincerely,
