

### **Description of EUT Operation:**

**Sample Description : R/C Car 49mhz**

**FCC ID (if applicable) : S5Z2120049TX / S5Z2120049RX**

#### **Operation Instructions**

Please pressed the right button for driving forwards, and please pressed the left button for driving in reverse.

#### **Battery Information**

Make sure the ON/OFF switch is in the "OFF" position on toys. Remove the screws on the battery lid. Remove lid to access the battery compartment.

Insert 3AA batteries into battery compartment. Close the battery lid, reattach screw to battery lid to lock. Turn the ON/OFF switch to "ON" position.

Slide battery lid open, and insert 1x9V battery into battery compartment. Place back the battery lid.

Batteries not included

1 x 3AA (1.5V) batteries for toy vehicle

1 x 9V Batteries for radio transmitter
