FCC Part 15, 22&24 Certification
Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457(d)(2) pertaining to confidentiality material. Advanced Wireless Group Limited requests that the following documents regarding this submission for FCC ID: S63MRBSC528 be kept confidential:

1. *Circuit diagram*
2. *Circuit description*
3. *Picture of phone and PCB*

Those documents contain detailed system and equipment description and related information about the product which Advanced Wireless Group Limited considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis for which future technological products will evolve, Advanced Wireless Group Limited considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours Sincerely,

A handwritten signature in blue ink, appearing to read "Johnny Lim".
