PER: 47 FCC Class II Permissive change for FCC ID: S6J-1116
(Original Grant Date: 17th September 2010)

Dear Sir or Madam:

Technology Solutions (UK) Ltd is submitting an application for Class II Permissive Change to the UHF RFID Reader, 1116, (FCC ID: S6J-1116). The commission on 17th September 2010 originally certified this product under FCC ID: S6J-1116.

There are no hardware or electrical modifications made to the applying Part 15 Spread Spectrum Transmitter.

The changes filed under this application are:

- Add two alternative antennas for use with the 1116 UHF RFID Reader module.
- Change Certification from Limited to Full Modular.

Please contact me if you have any questions or need further information regarding this application.

Sincerely,

A handwritten signature in black ink, appearing to read 'David Corder'.
