Application Examiner

Re: Request for confidentiality

Applicant: Technology Solutions (UK) Ltd.

FCC ID: S6J

To whom it may concern,

***Permanent Confidentiality***

Request is hereby submitted by Technology Solutions (UK) Ltd to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block diagrams
- Internal photos
- Parts list

Rationale for request for confidentiality:

Technology Solutions (UK) Ltd has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

The following applies to referenced product:

- 1) It is professionally installed.
- 2) It is not accessible to the general public after installation.
- 3) The End-user is subject to confidentiality under a non-disclosure agreement.

If you have questions or need further information, please contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "David R. Evans".
