DANGER !
Possible explosion hazard if used in the presence of FLAMMABLE ANESTHETICS.

WARNING !
SHOCK HAZARD. Do not remove cover. Refer servicing to qualified service personnel. For continued protection against fire hazard replace with only same type fuse and rating.

CAUTION !
Do not attempt to adjust unit without referring to the service manual. Use only hospital grade grounded power receptacles.

DANGER !
Risque d'explosion possible en présence de produits anésthésiques inflammables.

ATTENTION !
Risque d'électrocution. Ne pas ouvrir. Se renseigner auprès du personnel qualifié. Afin de limiter les risques d'incendie, ne remplacer que par un fusible identique.

ATTENTION !
Ne pas risquer de régler l'appareil sans se référer au manuel. N'utiliser qu'avec des prises électriques reliées à la masse, agréées pour les milieux hospitaliers.
