To Whom It May Concern:

This letter is to comply with 47 CFR 0.457(d)(2) pertaining to confidential material. Kruse-ITS Limited formally requests that the following documents associated with this submission for FCC ID S7K-A-00001 be kept confidential:

1. Section 2.0 (pages 4-5) of the report "CFAP 1.1 Technical Information" which contains a technical description and block diagram of how the system works.
2. Appendix A and Appendix B of the report "CFAP 1.1 Technical Information" which contains circuit schematics for the system.

The material listed above is the intellectual property of KRUSE-ITS, it is not publicly available and we believe its unauthorised disclosure would be financially detrimental to the company. Kruse-ITS is working in a niche market and the CFAP 1.1 GPS commentary system is a unique product; therefore it is desirable to keep our competitive advantage for as long as possible.

Sincerely,

Jonathan Kruse  
Managing Director
