RE: Long Term Confidentiality Request For:  
RoboSmart Bluetooth LED Light Bulb A19/120V/6W/480lm  
Model #: 900-0100-01  
FCC ID #: S89-RS01A

To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the following items listed, required to be submitted with this application be permanently withheld from public review.

**Block diagrams**  
**Circuit description/theory of operation**  
**Circuit schematics**  
**PCB layouts**  
**Parts list/bill of materials**  
**Mechanical/assembly drawings**

These documents contain detailed system and equipment descriptions and related information about the product, which Smart Home Labs, Inc. considers to be proprietary, confidential, and a custom design, which would never intentionally be released to our competition or the general public. Since this design is a basis from which future technological products will evolve, Smart Home Labs, Inc. feels that release of this information would be of benefit to our competitors, and cause our company irreparable harm, should the information in these documents be disclosed.

Please contact me if there is any information you may need.

Sincerely,

CTO – Smart Home Labs
