

22 June 2015

Federal Communications Commission
445 12th Street SW
Washington, DC 20554

Subject: Class II permissive Change Letter
WirelessWERX, Inc.
FCC ID: S8PSLN05

To Whom It May Concern:

We, the undersigned, are requesting a grant note modification to the Site Location Node, S8PSLN05, to use in multiple transmitters configuration. The hardware, enclosure, all other components are identical as certified. Schematics, block diagram, BOM, user manual are identical as well.

If you have any questions or comments, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "P. Mooney".

Patrick Mooney
Vice Pres. Engineering
WirelessWERX, Inc.
