SUBJECT: Change of ID

To Whom It May Concern:

This letter grants authorization for representative of Trimble Inc. to apply to the FCC for a change in identification as specified under 47CFR section 2.933 of the FCC rules.

The original certification FCC ID: SQG-LYRA24P will remain valid.

This authorization applies to the Ezurio LLC model Lyra 24P, FCC ID: SQG-LYRA24P. The original grant date was July 11, 2023.

Trimble Inc. will be marketing the Lyra 24P module as a product under a new FCC Identifier. Trimble's grantee code is S9E and proposes that it be issued FCC Identifier S9E-LRYA24P for the module.

Ezurio LLC has no control or responsibility with regards to the installation and use of the S9E-LRYA24P module in the products outlined by Trimble Inc. As a result, Trimble Inc. takes ownership and responsibility for compliance of their products which include the S9E-LYRA24P module.

The original test results, technical information and relevant documents continue to be representative of and applicable to the changed equipment. Any confidential information regarding the SQG-LYRA24P module shared to various test and certification firms shall remain confidential amongst the parties involved and not be shared to other third parties (including Trimble Inc.) unless authorized.

Sincerely,

A handwritten signature in dark ink, appearing to read "Brian E. Petted", written over a horizontal line.
