Subject: Request to Change in Identification

Dear Regulatory Authority,

This Change of Identification request applies for a new FCC ID: as established in 47CFR2.933 (b) for a currently approved device. This application by Ruckus Wireless, Inc., will establish a new FCC ID: S9GX01 under Ruckus Wireless, Inc., grant code for purpose of marketing. The original grant to Ruckus Wireless, Inc., will remain in effect per 2.933(b).

1. The original identification is S9GT300.
2. The original grant date is 06-05-2014. Latest CLIIPC grant date: 11/13/2014.
3. The equipment is electrically identical. No changes have occurred in the electrical design of the product. The only change being the radome industrial design and label on the device. The radome utilizes the same materials and minimum thickness of material. The top cover differences are visual only; consisting of only one LED visible to the end user via light pipe, color finish, and addition of Xclaim logo. The label is changed to reflect the model name, product name, and FCC ID.
4. The original test results are applicable and representative of this changed device.
5. Exterior photographs are included in this application.

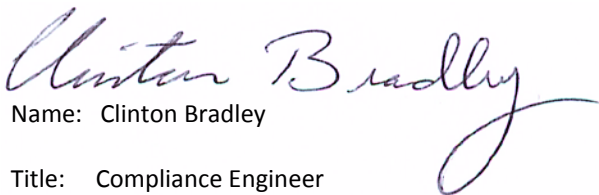

The following files are electronically submitted as attachments:

Authorization Letter from Original Grantee
