[Instructions] (we are still reviewing it)

INSTRUCTIONS

Charging instructions:

1. Plug the micro-USB cable into the charging port of the SleepPhones® Wireless Bluetooth® receiver.
2. While charging, there will be a solid red LED light.
3. When fully charged, there will be a solid green LED light.

Pairing instructions:

1. Find the slightly raised button.
2. Press and hold for 5 seconds. On your SleepPhones® Wireless headphones, a voice will announce, "Power on, ready to pair."
3. Check on your phone, computer, or other Bluetooth® transmitter. Make sure it is discoverable and adding a device.
4. Add SleepPhones® Wireless headphones to your phone, computer, or other Bluetooth® transmitter.
5. On your SleepPhones® Wireless headphones, a voice will announce, "Pairing complete."

Operating instructions:

1. Click the button to change the volume. The volume will cycle up and down in 10% increments.
2. Double click the button to pause the music. Double click to resume playing music.
3. To turn the device off, press and hold the button for 2 seconds. A voice will announce, "Power off."

Troubleshooting:

1. Check the volume on the Bluetooth® transmitter.
2. Check the volume on the SleepPhones® Wireless Bluetooth® receiver.
3. Make sure that the SleepPhones® Bluetooth® receiver is charged.
4. Refer to your phone, computer, or other Bluetooth® transmitter manual.

If the Bluetooth® transmitter is separated from the SleepPhones® Wireless headphones for more than 5 minutes, the headphones will automatically power off. Not all apps or software support Bluetooth®.

Bluetooth® Wireless Headphones
AcousticSheep, LLC

FCC STATEMENT

FCC ID: S9HZJRNFY03

- For the product FCC registration label, please see the Bluetooth® module contained inside of the headband.
- This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
- This device has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiated radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful

interference to radio or television reception, which can be determined by turning the equipment of and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
- Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

RF Exposure Information

This device is designed and manufactured not to exceed the emission limits for exposure to radio frequency (RF) energy set by the Federal Communications Commission for an uncontrolled environment.

[EU Trash symbol]

Disposal of Old Electrical & Electronic Equipment

This symbol on the product or on its packaging indicates that this product shall not be treated as household waste. Instead it shall be handed over to the applicable collection point for the recycling of electrical and electronic equipment. By ensuring this product is disposed of correctly, you will help prevent potential negative consequences for the environment and human health, which could otherwise be caused by inappropriate waste handling of this product. The recycling of materials will help to conserve natural resources. For more detailed information about recycling of this product, please contact your local city office or your household waste disposal service.
