AC1000T – LABEL EXAMPLE

Model: AC1000T

Approval n°: 202-LSH047

The label will be laser-engraved on the radar sensor rear housing, on the side.

Figure 1 shows the location where all the regulation labels will be engraved. Figure 2 shows an example of how it looks like on other radar already certified.

The following information will also be engraved:

Model: AC1000T

FCC ID: S9I-AC1000T

IC: 5860A-AC1000T
