

Federal Communication Commission
Equipment Authorization Division, Application Processing Branch
7435 Oakland Mills Road
Columbia, MD 21048

17-Dec -2019

TO WHOM IT MAY CONCERN

Hereby we requests to supersede following data from the application
FCC ID: SBG-8000-POD

Exhibit Type:	Description:
PDF	Internal Photos
PDF	External Photos
PDF	Test Set up Photos
PDF	User Manual

Reason:

Internal Photos, external photos, test setup photos and the user manual are confidential information of Simavita until the product is officially announced to general public.

We are aware of the fact that the above exhibits have already been made available to the public on the FCC website but we hereby request them to be kept short term confidential in the application filing of FCC ID:SBG-8000-POD

The files have been uploaded again by using correct Exhibit Type.

Sincerely,

PETER CURRAN
Chief Technology Officer
