

FCC ID: SBM841614

Technical Description :

The brief circuit description is listed as follows :

- 27.145 MHz Crystal, Q3 and associated circuit act as RF Oscillator.
- U1 and associated circuit act as Encoder.
- Q2, Q4 and associated circuit act as Modulator.
- Q10 and associated circuit act as Amplifier.

Antenna Used :

An extendable antenna has been used.
