Re: FCC ID: SDBCPTP100A

To Whom It May Concern:

The following application is submitted on behalf of our client, Sensus USA Inc., for evaluation of their model CPTP100A for a new certification under FCC Part 24D and 101C.

I have reviewed the application and supporting documentation and have found them to comply with FCC requirements. I recommend this application for certification.

Yours sincerely

A handwritten signature in black ink that appears to read "Jeff Woods".
