Gentlemen:

AMDS LLC respectfully requests confidentiality of certain materials provided with the submission of the AMDSELS under FCC ID: SDBELS in accordance with FCC Regulations 0.459. The confidentiality request applies to the following:

- Schematics
- Bill Of Materials
- Theory of Operations
- Circuit Descriptions
- System Block Diagrams
- Tune-up Procedure
- Any other documents marked "confidential" on the documents themselves.

The AMDSELS has been developed at considerable effort and expense by AMDS LLC. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

Name: Robert J. Davis Signature: \_\_\_\_\_
