

American Certification Body, Inc.
6731 Whittier Ave.
Suite C110
McLean, VA 22101

Model PR 30HVS; FCC ID: SDL-PR3XR02 / IC: 5228A-PR3XR02
Model PR35, certified 2010 under FCC ID: SDL-PR3XR01 / IC: 5228A-PR3XR01

We confirm that the power supply section of the devices is identical and that the main device does not provide a different 'loading' or 'current rating', due to the changes in electronics. There are no new clocks or generated signals below 30 MHz.

The changes of the equipment since 2010 as described in document „ 13-03-11-Lukic-Differences-PR30HVS-PR35.pdf“ does not influence the test results in the test reports no. T33893-01-02HS and T33892-01-03HS.
