

PAIRING YOUR SUB WITH THE CORE

Thank you for purchasing Mass Fidelity's Wireless Subwoofer for the Core system. Follow these simple instructions to immediately start using your Sub.

1. Connect the power supply cable to the Sub's input jack and plug the power adapter into a wall outlet.
2. Pair the Sub with a Core speaker, so they can be remembered as a pair on the network:

On your Core speaker: Press and hold the POWER and VOLUME "+" keys for 5 seconds.

The top LED will flash green, once, confirming pairing with your Sub.

Your Core speaker will now always remember the Sub it is paired with, even after powering off.

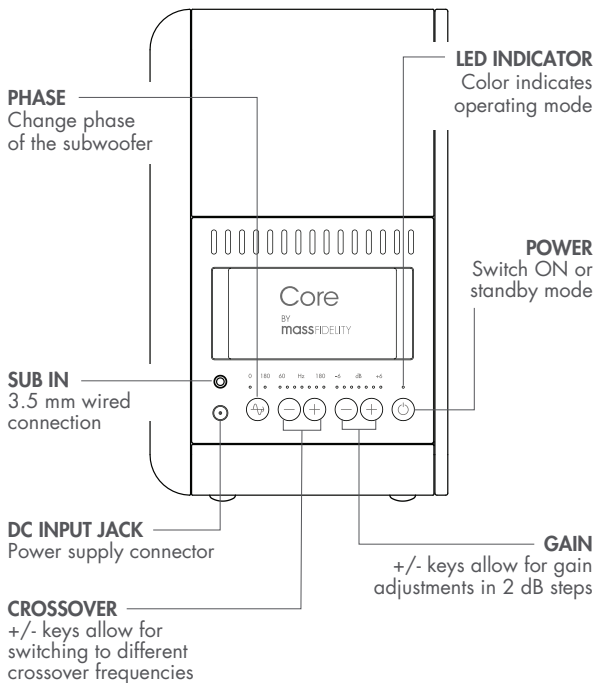

3. To unpair the Sub from your Core speaker, press and hold the POWER and VOLUME "-" keys for 5 seconds.

WIRED CONNECTION

The Core Sub can also accept wired a 3.5 mm wired signal. When the Sub detects a wired signal it will automatically switch off all wireless functionalities. Once the Sub is wired, its LED indicator will turn to white (line-in).

For further sound tuning and detailed information see the complete instruction manual available on our website:

SAFETY INFORMATION

⚠ WARNING

- Do not attempt to repair, modify, or disassemble your Core.
- Do not expose the Core to rain or other liquids.
- Do not use it near heat sources or naked flames or candles.
- Unplug the Core during lightning storms and extended periods of non-use.
- Only use attachments, accessories and power supplies specified by Mass Fidelity.

BATTERY

The lithium-ion battery in the Core is not user replaceable and can only be replaced by Mass Fidelity or a Mass Fidelity Authorized Service Provider.

MASS FIDELITY TWO YEAR LIMITED WARRANTY

Mass Fidelity warrants to the original purchaser that the product shall be free of manufacturing and material defects for a period of TWO years from the date of original purchase. Within the warranty time period, repair or replacement of parts for manufacturing and material defects will be free of charge to the original owner.

Limitations:

- Warranty begins on date of original retail purchase from an Authorized Dealer only, and is not transferable;
- Warranty applies to the product in normal home use only.
- Warranty does not apply if the product is used in professional or commercial applications.

Warranty is Void if:

- The product has been abused (intentionally or accidentally); this includes damage due to liquids, heat, careless handling or inadequate packaging.
- The product has been tampered with or damaged by an unauthorized service facility.
- The serial number has been removed or defaced.

Owner Responsibilities:

- Pay for transportation charges for product to service facility;
- Provide proof of purchase (your sales receipt given at time of purchase from your Authorized Dealer must be retained for proof-of purchase date).

This warranty is in lieu of all other warranties expressed or implied, of merchantability, fitness for any particular purpose and may not be extended or enlarged by anyone. In no event shall Mass Fidelity, their agents or representatives be responsible for any incidental or consequential damages. Some jurisdictions do

not allow limitation of incidental or consequential damages, so this exclusion may not apply to you.

FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Statement

This device complies with FCC radiation exposure limits set forth for an uncontrolled environment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution!

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

CE Hereby, Mass Fidelity Inc. declares that the Core Wireless Speaker is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC.

A copy of the EU Declaration of Conformity is available online at www.massfidelity.com/compliance

CONSIGNES DE SÉCURITÉ

⚠ AVERTISSEMENT

- Ne tentez pas de réparer, modifier ou désassembler votre Core.
- N'exposez pas le Core à la pluie ou à d'autres liquides.
- Ne l'utilisez pas près d'une source de chaleur, d'une flamme nue ou d'une bougie.
- Débranchez le Core en cas d'orage et si vous ne comptez pas l'utiliser pendant une longue période.
- N'utilisez que les pièces, les accessoires et les blocs d'alimentation recommandés par Mass Fidelity.

BATTERIE

La batterie lithium-ion présente dans le Core n'est pas remplaçable par l'utilisateur et peut uniquement être remplacée par Mass Fidelity ou un prestataire Mass Fidelity agréé.

MASS FIDELITY, GARANTIE LIMITÉE DE DEUX ANS

Mass Fidelity garantit à l'acheteur d'origine que le produit sera exempt de vices de fabrication et matériels pendant une période de DEUX ans à compter de la date de l'achat initial. Au cours de la période de garantie, toute réparation ou remplacement de pièces présentant des vices de fabrication ou matériels sera effectué sans frais pour le propriétaire d'origine.

Limites :

- La garantie entre en vigueur à la date de l'achat d'origine auprès d'un revendeur agréé uniquement, et elle n'est pas transférable ;
- La garantie s'applique uniquement au produit pour un usage domestique normal. La garantie ne s'applique pas si le produit est utilisé dans des applications professionnelles ou commerciales.

Cette garantie est susceptible d'être annulée si :

- Le produit a subi un abus (intentionnel ou accidentel) ; cela inclut tout dommage causé par un liquide, une chaleur excessive, une manipulation négligente ou un conditionnement inadéquat.
- Le produit a été altéré ou endommagé par un centre de réparation non agréé.
- Le numéro de série a été enlevé ou rendu illisible.

Responsabilités du propriétaire :

- Payer les frais de transport du produit au centre de réparation ;
- Fournir une preuve d'achat (le ticket de caisse reçu lors de l'achat auprès de votre revendeur agréé doit être conservé pour prouver la date d'achat).

Cette garantie remplace toutes les autres garanties explicites ou implicites, de qualité marchande et d'adéquation à un usage particulier, et ne peut être ni étendue ni prolongée par qui que ce soit. En aucun cas Mass Fidelity, ses agents et ou représentants ne pourront être tenus responsable de dommages accessoires ou consécutifs. Certaines juridictions n'autorisent pas la restriction des dommages accessoires ou consécutifs ; cette exclusion peut donc ne pas s'appliquer à vous.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.
