RE: Short Term Confidentiality Request For **SHR-900, 0138843, SGV-SHR-900**  
To Whom It May Concern:

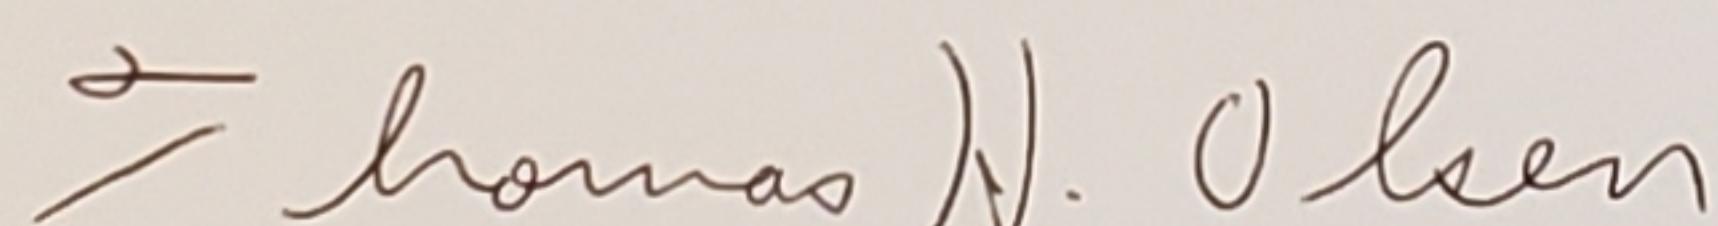

In accordance with sections 0.457 and 0.459 of CFR 47, **Phoenix Contact** requests short-term Confidentiality of following sections of this application for a period of 45 days after grant is issued.

**Test setup photos**  
**External photos**  
**Internal photos**  
**User's manual**

These documents contain detailed system and equipment descriptions and related information about the product, which **Phoenix Contact** considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, **Phoenix Contact** feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Please contact me if there is any information you may need.

Sincerely,

Thomas H. Olsen

Architect, Wireless Technology  
Automation Infrastructure – Americas RBU
