Request for Confidentiality

Company name: VT Miltope

FCC ID: SH5-NMAP

FCC Part 15.247 & 15.407 Certification

Gentlemen,

In accordance with 0.459 of CFR 47, VT Miltope hereby requests confidentiality of part lists, block diagrams, operational descriptions and schematics for the subject application.

These documents contain detailed system and equipment description and related information about the product which VT Miltope considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, VT Miltope considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

Signature
