Dear Ms. Helen,

Thank you for your quick response for your application.
Regarding your questions for the assessment no. AN04T4245, we attached the revised report (Bandwidth plots) and user's manual.
Please review attached files and let us have your reponse.

If you have any question, please feel free to contact us.
Thank you and have a great day!

Best Regards,

S. C. Hong / Project Engineer

Subject: XDMB Inc., FCC ID: SICXR9, Assessment NO.: AN04T4245, Notice#1

Question #1: The Bandwidth plots are not clear enough to show the setting.
Please resubmit the test plots.

Question #2: Will the manual in this filing be provided to the enduser? If so, please remove the mark of "Confidential", otherwise, please resubmit user manual that will be provided to the end-user.

Best regards,
Helen

The items indicated above must be submitted before processing can continue

on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
