Request for Confidentiality

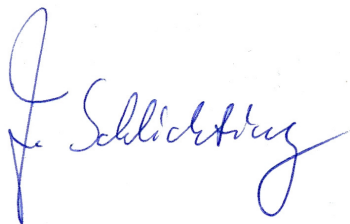

Nanotron Technologies GmbH
FCC ID: SIFCMCSENS0108V2
FCC Part 15 Certification

Gentlemen,

In accordance with 0.459 of CFR 47, Nanotron Technologies GmbH hereby requests confidentiality of all block diagrams, circuit description, circuit diagrams, parts list, operational description attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product which Nanotron Technologies considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Nanotron considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

Dr. F. Schlichting
Director Application Engineering
