To whom it may concern

Draeger Safety UK Limited request a Class II permissive change of the PSS Merlin 450-470MHz Portable unit, FCC ID: SIZ002, IC: 5895A-002.

The original unit has been modified such that the antenna is located in a different position on the unit housing. This change affected the RF transmit power levels.

Yours sincerely

A handwritten signature in black ink, appearing to be 'MBS' with a stylized flourish.
