Dear Sir or Madame,

In accordance with 0.459 of CFR 47, Bell Canada Fleet Solutions hereby requests confidentiality of all (Block Diagrams, Circuit Diagrams, Parts List, Operational Description) attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product which Bell Canada Fleet Solutions considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Bell Canada Fleet Solutions considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,
