Dear Application Examiner:

On behalf of Sure Power Industries, Inc., Northwest EMC Inc is submitting this application for the certification of Sure Power's Model 2875352 transmitter, FCC ID: SJU2875352. It is a low power transmitter seeking authorization under FCC 15.209.

The transmitter is part of a retro-fit kit mounted on recreational motorized vehicles. Its purpose is to read the maximum permitted ground speed from a separate security device, and pass that information to the integral ground speed controller.

The EUT can be configured with only one integral antenna. The antenna and circuit board are potted to maintain confidentiality of the design and to meet the requirements of 47 CFR 15.203.

The technical reports and exhibits demonstrate compliance with FCC rules 47 CFR 15.209

Your efforts in reviewing this application are greatly appreciated.

Best regards,
