Re: FCC ID: SK9ITR900-1

To Whom It May Concern:

The following application is submitted on behalf of our client, Itron Electricity Metering, Inc., for evaluation of their model ITR900 for a Limited Singular Modular Approval under FCC Part 15.247.

The ITR900 is a stand-alone module consisting of a single printed circuit board which is designed to be integrated into specific host devices. The ITR900 was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,
