

FCC ID. : SLE-TAP-M310R

The FCC ID and will be placed on the equipment as shown in the photograph below.

**MOXA**

Model Type: TAP-M310R-1P1R1S-US-CT-T  
MN: TAP-M310R-1P1R1S-US-CT-T

Rev.: 1.0.0

S/N:  TZAD0100001

Default IP:

MAC Address: MAC\_01

Input: 110-220VAC, 50-60Hz, 0.36-0.18A (max.)

Made in Taiwan

FCC ID: SLE-TAP-M310R

This device complies with Part 15 of the FCC Rules.  
Operation is subject to the following two conditions:  
(1) this device may not cause harmful interference, and  
(2) this device must accept any interference received,  
including interference that may cause undesired operation.
