Subject: 433 WT – transmission silent time

To whom may concern

Dear Sir/Madam,

We, Giant Innovation (Shenzhen) Ltd, declared that the silent period between each transmission of the model 433 WT (FCC ID: SLJ433WT) would be more than 15 seconds.

The silent time is controlled by software; we modified the parameter(s) which stored in our external ROM (U5, in our Tx unit circuit diagram). Users cannot change the timing themselves.

We declared that NO modification on circuit design.
