Federal Communications Commission  
Washington, DC 20554

Subject: Submission for FCC Grant of Equipment Authorization

Reference: FCC ID: \_\_\_\_\_

To Whom It May Concern:

ArKion Systems hereby requests that certain sections, exhibits and the like, to our attached submission be treated by the FCC as confidential information. The Sections that require confidentiality is, *for the most part of all of the Section* entitled Block Diagrams and Schematics and include the following technical information

- Detailed Theory of Operation( Users Manual)
- Any and all Block Diagrams and explanatory text
- All Schematics
- Technical Specifications
- Pictures of the Module, Internal and External

The above technical information, which is explicitly characterized in our submission, describes in detail how our product is built and its theory of operation. This level of technical information, if disclosed outside the FCC, would cause irreparable harm to ArKion Systems from competitive standpoint.

Therefore, we respectfully request that the technical information listed herein and fully described in our submission attached here to be treated as confidential information and not be disclosed outside of FCC.

Sincerely,

Iqbal Khan
