Re: Letter of Agency
Application for Certification
FCC ID: SM6-RMXR

Dear Sir or Madam:

Please be advised that Mueller Systems, LLC ("Mueller Systems") hereby appoints Washington Laboratories, Ltd. to act as its agent only with respect to the preparation and filing of an application for equipment authorization of FCC ID: SM6-RMXR in accordance with the Rules and Regulations of the Federal Communications Commission ("Commission") submitted to American Telecommunications Certification Body, Inc. The authorization granted herein is limited to the following personnel of Washington Laboratories personnel:

- Michael F. Violette, President
- Steven D. Koster, EMC Operations Manager

This authority ends on the earlier of November 11, 2012 or upon notification by Mueller Systems.

I certify that all exhibits contained within this filing properly describe the device or system for which authorization is sought.

I further certify that appropriate arrangements have been made to assure that production units of this equipment bearing the name and FCC IDENTIFIER listed in this application will comply with the Commission's rules and requirements.

I further certify by signature below that neither Mueller Systems, nor any party (as "party" is defined in 47 CFR 1.2002(b)) to the application is subject to denial of Federal benefits, including FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse ACT of 1988, 21 U.S.C. 862.

This appointment also includes the authority to complete and file FCC Form 731 on our behalf and sign the application as an authorized agent.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Keefe", written over a horizontal line.

Robert P. Keefe

Senior Vice President, Chief Technology Officer and Chief Information Officer
